

SPERRY IN FLYING BOAT  
AGAIN SOARS OVER CITY.

Hopes to Stay Up Most of Day  
With Navy Man, Testing  
Gyroscopic Stabilizer.

Lawrence Sperry, the young aviator  
and inventor who has been giving all  
downtown New York a sore neck re-  
cently with his flying boat flights

around the Battery and East River,  
started off bright and early today  
with his Curtiss hydroaeroplane to  
test the benefit of Lieut. C. H.  
Mauley of the naval aviation squad.  
With Mr. Titterton, his mechanic,  
as a passenger, Sperry got away from  
the Brooklyn Navy Yard boat at 7:50  
o'clock and took a trial spin down the  
East River to the bay until 11:15. Then  
at 5:40 he scudded under the two  
bridges again with Titterton, mak-  
ing for the free spaces of the bay  
over Governor's Island.  
Sperry hoped to be able to stay up

over New York the better part of to-  
day with Lieut. Mauley in the na-  
chine with him to test under all con-  
ditions the gyroscopic stabilizer that  
bears the Sperry name.  
Sperry and Lieut. Mauley made  
several short trips together over the  
bay both morning and afternoon.  
They tried out the capacity of the  
stabilizer to the full and seemed to be  
perfectly satisfied with its operation.

## FINANCING.

(From the Philadelphia Ledger.)  
"Why did you give that \$10 you owed  
me back before the entire company?"  
"So as to re-establish my credit with  
the others."

SUNDAY CANNOT COME  
HERE FOR MANY MONTHS  
"OLD BILL" NOT EAGER

Wouldn't Jump Engagement  
in Squeedunkville to Preach in  
New York—Hits Ministers.

(Special to The Evening World.)  
PHILADELPHIA, Jan. 25.—The  
New York "Billy" Sunday special  
train arrived in this city shortly be-  
fore noon to-day bringing one of the  
largest delegations of ministers that  
has ever gone from New York in a  
body. Sunday had announced his  
sermon this afternoon would contain  
a particular message for the clergy-  
men of New York City and has been  
prepared especially for their benefit.  
Discussing the question of a cam-  
paign in New York, the evangelist said:

"First of all, before I could even  
consider the question of going, I must  
be assured positively that there is a  
genuine demand on the part of the  
Protestant clergy of New York City  
for me. Yes, I know that several  
hundred ministers have come over  
here, but this is a free ride for them,  
a free trip.

"How many of these several hun-  
dred would have been interested  
enough in me and my work here to  
come over to hear me of their own  
volition, paying their own expenses?  
Those are questions which have to be  
answered to my satisfaction. In other  
words, there must be a real demand  
for me from the real clergy of New  
York before I will even consider a  
campaign there.

"I know that plenty of people are  
saying that I am waiting and eager  
to go to New York, the nation's big-  
gest city. They have got me wrong.  
I know what the talk is, that old Bill  
will jump and crawl out of any en-  
gagements elsewhere, or set of en-  
gagements, to play New York. That's  
an out-and-out lie. Old Bill  
ain't and old Bill won't.

"Under proper conditions a great

work in my opinion can be done in  
New York, but I tell you, and I mean  
it, that I would not cancel an en-  
gagement in Squeedunkville, if I had  
one there, to hasten the time I could  
or would go to New York. It's not a  
square deal.

"This talk of my holding a cam-  
paign in New York this spring or  
summer is rot. I couldn't possibly do  
it so soon. If I held a campaign in  
New York at all the time will be  
after next fall some time."

MRS. "ROGERS" MAY GO FREE

Probability That Poisoner of Her  
Children May Escape Indictment.  
The Bronx County Grand Jury  
failed again to-day to take decisive  
action on the case of Ida Sniffen Wal-  
ters, the baby poisoner. One reason  
for inaction was the absence in Al-  
bany of District Attorney Martin, who  
is arguing a case before the Court of  
Appeals.

After considering some minor cases  
the Grand Jury adjourned until to-  
morrow. The impression prevails that  
Mrs. Walters is safe from indictment  
for homicide, and may eventually es-  
cape indictment altogether.

Boundary Guard Not Needed.  
NEW WESTMINSTER, B. C., Jan. 25.  
—That there is no present need of  
guarding the boundary between the  
United States and Canada, as recently  
proposed by officers of the Canadian  
National Reserve, is the opinion of Col.  
Ogilvie, district officer, commanding at  
Victoria, who was ordered to make in-  
quiry on the subject.

"TANGO TEA" BURGLAR  
CONFESSES IN COURT

Admits He Stole \$1,500 in Gems  
From Room in the  
Plaza Hotel.

Joseph Bendix, called by the police  
the "Tango Kid," pleaded guilty to-  
day before Magistrate Franchi in the  
Yorkville Police Court to grand lar-  
ceny, in having stolen \$1,500 worth of  
jewelry from the room of A. C.

Schwartz in the Plaza Hotel last Sat-  
urday. He was held for the Grand  
Jury in \$5,000 bail.  
Bendix is nineteen years old and  
gives as his residence, No. 302 East  
One Hundred and Sixty-second  
Street. The police say that, not-  
withstanding his youth, he has been  
in Elmira several times. They say,  
too, that he has been making a prac-  
tice of attending tango teas at the  
best hotels and watching his opportu-  
nities of slipping into rooms of guests  
and helping himself to anything he  
could find.  
Bendix was caught by House De-  
tective Mason of the Plaza yesterday  
afternoon, when he paid a second visit  
to the hotel.

## Gimbel's FEBRUARY Furniture Sale With Initiative

### Second "Day of Review" Tomorrow

Several days ago, when we had about completed our arrangements for the February Furniture Sale, one of the most noted makers of fine furniture in America stood at the crossing of the two principal avenues of the Furniture Store.

"Criticism all this Furniture and its layout," we said, "and tell us whatever you think is wrong with it."

"I can't," said he; "it's perfect!"

Making all due allowances for politeness, this man's good opinion is justified.

This is far and away the BEST Furniture Event we have ever got ready.

The Furniture is ALL DESIRABLE, NEW in style, splendid in construction. Dead wood has been cut out, just as a well kept forest preserve is free of underbrush.

It is worth repeating that for this sale we did not buy a single "job lot," although we DID buy more NEW Furniture than ever before, for a sale.

We went about it this way:

We placed with the Cowan Furniture Company an order for Four-posted Mahogany Bedsteads, made up to our order, which we shall be able to sell for \$20—extraordinary!

From the same concern comes Mahogany Library Tables in three designs to sell at \$30. From another fine maker we have ordered 48 of one particularly beautiful Colonial Bedroom Suite in mahogany, walnut and ivory enamel, to sell at \$90.

Everything is so plainly tagged with the old price and the new that you can really be your own salesman. But it isn't necessary—a picked force of well-trained furniture men is on hand to assure intelligent, helpful service.

Prices? They can be summed up in one word—moderate. Extravagant—as well as cheap—furniture is avoided. The kind we have bought so lavishly is intended for the home in which good taste, and not expense, is the controlling idea.

On all our purchases, and on our whole stock, February Savings Prevail, of \$1 to \$5 In Every \$10 You May Have Planned to Spend.

Today, tomorrow, Saturday, come and study the Furniture—select it, if you choose. And, above all things—COMPARE!
